

## **MEDIA RELEASE**

### **AUGUSTA MARKETS REGISTRATIONS CLOSE SOON**

RDA Far North wishes to remind stallholders that registrations for the Augusta Markets close on Friday 11 November 2016.

The Augusta Markets are being held on Saturday 26 November 2016 in Commercial Road, Port Augusta and RDA Far North are calling on stallholders to register now to get their spot booked.

Paula Osborn, Executive Support said “Registrations are rolling in for the Augusta Markets, but we are just reminding stallholders that registrations close on the 11 November, which is two weeks before the event.”

“This allows us time to allocate spots for all stallholders, to sort out any insurance requirements and to lock in other details in time for the main event.”

“Using the Eventbrite online registration system has once again made registration a simple and quick process, so I encourage anyone who hasn’t registered yet to get on board.”

Stallholders can register by going to the [www.rdafn.com.au](http://www.rdafn.com.au) website and following the links or by telephoning 8641 1444 for assistance.
